**Subject:** Declaration on Product Content, Claims, and Usage Guidelines

**Dear Sir,**

At Akay Vision Healthcare, we take great pride in manufacturing high-quality nutraceutical, cosmetic, and Ayurvedic products that align with industry standards and certifications, including ISO 9001, Halal, GMP, Kosher, and HACCP.

We would like to emphasize the following regarding the content and claims of our products:

**1. Non-Medical Use:**

- All our products are manufactured as general wellness supplements, cosmetic solutions, or Ayurvedic formulations. They are not intended to diagnose, treat, cure, or prevent any disease.
- We make no claims suggesting that these products offer medical or curative benefits.

**2. Usage Disclaimer:**

- Each product is labeled with clear instructions and disclaimers stating that its usage is not a substitute for professional medical advice or treatment.
- We strongly recommend consulting a qualified physician or healthcare professional before using any of our products, especially for individuals with pre-existing conditions or those on medication.

**3. Transparency and Compliance:**

- All product labels are designed to comply with applicable regulations and provide accurate information regarding ingredients and intended use.

We hope this clarifies our commitment to ethical practices and transparent communication with our customers. Please find attached the relevant product labels for your reference.

Should you have any further questions or require additional information, feel free to contact us.

Thank you for your trust in Akay Vision Healthcare.

Warm regards,

**Sagar Solanki**
